

# BOUGHTON PLACE ARTS SERIES presents . . .

*Laura Sansone's Textile lab*

## **NOVEMBER 5: 10 - 4 p.m.** Fiber Arts with Laura Sansone

In this textile lab, you will learn about natural dyes, local fiber and regional farms. From 10 -12 p.m. we will be spinning wool, and demonstrating how to make dyes. At 1 p.m. join us for a hands-on collaborative felting project using local, naturally dyed wool!  
\$12 program fee.

## **NOVEMBER 6: 10 - 5 p.m.** Dollmaking with Lexi Langley

Let your imagination run free, and create a whimsical, one-of-a-kind doll. These pose-able figurative sculptures will be built around a sturdy wire and wood armature, and made from a variety of media—clay, cloth, wool, embellishments and more. By the end of the day, you should be able to go home with a companion doll or a special holiday gift for someone. \$22 program fee. (While fabrics will be supplied, feel free to bring treasured pieces of fabric or embellishments for your doll's costume.)
